STRICTLY NO MUS

SPHERE

All purpose head perfect for overall use on large and small muscle groups.

DIVIDE

Great for targeting all of the back, as well as forearms and calves.

POUND

Designed for a powerful percussive massage and is best on larger muscle groups.

CLES LEFT BEHIND!

BULLET

Perfect for targeting deep tension points, including hands and feet.

WEDGE

Ideal for shoulder blades. Helps increase blood flow and reduces tension when you need it the most.

THUMB

The curved design is great for trigger points and the lower back.
